CHAIRMAN'S STATEMENT

Dear shareholders,

It is my pleasant duty to inform you that recently your company has proposed dividend of 25% per share subject to the approval of the shareholders at Annual General Meeting.

Your company has performed well this year not only in terms of financials but also for the betterment of stakeholders of the company. In the FY: 2019-20 your company has crossed an annual revenue of Rs. 73.54 Crores.

Your company has also been contributing positively for the wellbeing of shareholders, employees and

customers during these times of COVID-19 pandemic. This year we saw challenging business environment with lower GDP growth and slow-down in consumption. Despite these challenges, the support and guidance by our team, shareholders and board of directors has navigated us in achieving our growth during these times.

Value of human life is of utmost importance, and this principle continues to guide our business and remain committed to our business. We implemented various other methods in our Company which allowed us to better understand the issues of our customers which enabled us to take necessary steps to improve the ease of doing business.

Our deep understanding of consumers, a strong portfolio and distinctive capabilities across the value chain have enabled us to deliver broad-based superior performance. We also have close collaboration between marketing and Research and Development (R&D), we use our insights to support innovations and product development.

Over the preceding years, your company has shown itself to be very purpose-driven, versatile, strong and staying relevant to its customers through multiple economic cycles, and doing good for all its stakeholders. This is the secret behind its longevity and sustainability.

Your company has achieved a Milestone of the second largest selling Wood Adhesive brand in India, in retail segment. We continue to improve and evolve consistently by cultivating the entrepreneurial mindset across the organisation.

There are huge opportunities ahead by staying committed towards its mission and vision and by continually investing in building new capabilities and expertise's over the organisation.

We will continue our journey to be more accessible and affordable for our customers, by expanding our reach and improving our processes constantly.

I would like to take this opportunity to thank each and every employee as well as those working with our partners across our value chain for their commitment and service to Jyoti Resins and Adhesives Ltd.

I would also like to thank our shareholders, for your immense trust, support and confidence in Jyoti Resins and Adhesives Ltd.

Best Regards
Jagdish N. Patel
Chairman

DIRECTOR'S SPEECH

Dear Shareholders,

This year 2019-20 brought us astonishing learnings to build something valuable and fruitful, we also faced certain challenges due to the outbreak of coronavirus pandemic which forced us to rethink strategies and try to overcome the impact of the pandemic.

In FY 2019-20, our Company had delivered a revenue of Rs. 73.54 Crores, growing 7.06 % over the prior year. You would be pleased to note that our Company has achieved strong net profit (before tax) growth for FY 2019-20 reaching Rs. 11.14 Crores (263 % growth Y-o-Y) on a comparable basis.

The Board has recommended a final dividend of Rs. 2.50/share for the year.

We constantly had been looking for various ways to improve the productivity over the organisation. Our employees are the heart of our business. Their continued commitment focus and hard work have been the roadmap for our success. To satisfy our customers as per their needs, we constantly looked for the ways to transform various initiatives to improve or to bring necessary changes in its product or services.

With all the strengths and opportunities, we believe to start an exciting journey ahead. As we are undergoing these uncertain times, we look forward for your continued support.

Warm Regards

Utkarsh J. Patel

SECRETARIAL AUDIT REPORT
Form No.MR-3

For the financial year ended 31/03/2020

[Pursuant to section 204 (1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
JYOTI RESINS & ADHESIVES LTD
SURVEY NO. 873, OPP. ANAND HEALTHCARE
RANCHHODPURA ROAD, SANTEJ, TAL. KALOL,
DIST. GANDHINAGAR-382721

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. JYOTI RESINS & ADHESIVES LTD** (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020, according to the provisions of:

- (i) The Companies Act, 2013("the Act") and the rules made there under as applicable;

INDEPENDENT AUDITOR'S REPORT

To The Members of JYOTI RESINS & ADHESIVES LIMITED
Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of JYOTI RESINS & ADHESIVES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the standard on auditing specified u/s. 143(10) of the act (SAs). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of standalone financial statements section of our report. We are independent of the company in accordance with the code of ethics issued by ICAI together with Independence Requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 4.23 of the financial statements, as regards the management's evaluation of COVID-19 impact on the future performance of the Company and its subsidiaries. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. There is no key audit matter with respect to standalone financial statements to be communicated in our report.

Information other than Standalone Financial Statements and Auditor's Report thereon

The company's Board of Directors' are responsible for the preparation of the other information. The other information comprises the information included in the management discussion and analysis, board's report including annexure to board's report, Business responsibility report, Corporate governance and Shareholder's information but does not include the standalone financial statement and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended including the Companies (Indian Accounting Standards) Amendment Rules, 2019. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of JYOTI RESINS & ADHESIVES LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of JYOTI RESINS & ADHESIVES LIMITED (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that we are operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risk so material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of JYOTI RESINS & ADHESIVES LIMITED of even date)

i. In respect of the Company's fixed assets:

(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the standalone financial statements, the lease agreements are in the name of the Company.

ii. (a) The management of the company has conducted the physical verification of inventory at reasonable intervals. Due to lockdown on account of COVID-19 pandemic, at the end of the year we were not able to verify inventories physically at year end hence we have relied on the management representation.

(b) The discrepancies noticed on physical verification of the inventory as compared to books records which has been properly dealt with in the books of accounts were not material.

iii. According to the information and explanations given to us, the Company has not granted secured or unsecured loans to any Company, Firm, Limited Liability Partnership or other party covered in the register maintained under section 189 of the Companies Act, 2013.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.

vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.

- vii. According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.
- viii. The Company has taken loans or borrowings from banks but there is no default in repayment of the same. Moreover, the company has not any taken loan or borrowing from financial institution or has not issued any debentures, hence reporting for the same under clause 3(viii) of the Order is not applicable to the Company.
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3(ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

JYOTI RESINS & ADHESIVES LTD

Notes on Financial Statements for the year ended 31st March 2020

1 Corporate information

Jyoti Resins and Adhesives Limited ('The Company') is a public limited company incorporated and domiciled in India. The address of its registered office is Survey No.873, Opp. Anand Healthcare, Ranchhodpura Road, Santej, Tal. Kalol, Dist. Gandhinagar 382721, Gujarat. The Company is in the business of manufacturing of high grade synthetic wood adhesives with its EURO7000 brand. The Company has a huge plant with the capacity of 1500 tons/month, which is located at Santej, Kalol.

2 Basis of preparation of financial statements

These financial statements are in accordance with Indian Accounting Standards (IND AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provision of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities & Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of Companies (Indian Accounting Standard) Rules, 2015 and relevant rules issued thereafter.

Accounting policies have been consistently applied except where newly issued accounting standards are initially adopted or a revision to an existing standard requires a change in the Accounting policy hitherto in used.

As the quarter and year figures are taken from the source and rounded to the nearest digit, the figures reported for the previous quarters might not always adopt to the year-end figures reported in these statements.

The Company's presentation and functional currency is Indian Rupees (₹) and all values are rounded to the nearest digits.

3 Use of estimates

The preparation of the Company's IndAS financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected. In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets; and
- Provisions and Contingencies.

4 Significant accounting policies

4.1 Property, plant and equipment

Recognition and measurement

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes) after deducting trade discounts and rebates, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.
- f) Major spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit & Loss on issue/consumption.
- g) Direct expenses incurred during construction period on capital projects are capitalised.
- h) Addition in the value of land during the year is on account of Revaluation of the land.

4.2 Capital work-in-progress:

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

4.3 Depreciation

Depreciation on tangible fixed assets is provided using the Straight Line Method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale or disposal, as the case may be.

4.4 Cash flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals or accruals of past or future cash receipts or payments. The cash flows are from operating, investing and financing activities of the Company are segregated based on the available information.

4.5 Transaction in Foreign Currency

Foreign currency transactions are recorded at the exchange rate prevailing on the date of such transaction. Foreign currency monetary assets and liabilities are reported using the closing rate. Gains and losses arising on account of difference in foreign exchange rates on settlement/translation of monetary assets and liabilities on the closing date are recognized in the Statement of Profit and Loss.

4.6 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.7 Cash and cash equivalents

Cash comprises cash on hand and demand / short term deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

4.8 Investments

Equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

4.9 Trade receivables

Trade receivables are amounts due from customers for sale of goods in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

4.10 Borrowings

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

4.11 Trade payables

Trade payables are amounts due to vendors for purchase of goods in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

4.12 Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

4.13 De-recognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which substantially all the risk and rewards of ownership of the financial asset are transferred. The Company derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

4.14 Leases - Company as a lessee

Finance lease

Leases where the Company assumes substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognized for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Operating lease

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognized as operating lease. Operating lease payments are recognized as an expense on a straight line basis over the lease term unless the payments are structured to increase in line with the expected general inflation so as to compensate for the lessor's expected inflationary cost increases.

4.15 Inventories

Inventories at year-end are valued at the Lower of the Cost Price or Net Realizable Value after providing for Obsolescence and other losses, wherever considered necessary. Cost of inventories comprises of cost of purchase, cost of conversion and costs incurred in bringing them to their respective present location and condition.

4.16 Impairment of assets

Financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Tangible assets

Property, plant and equipment with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent. When an impairment loss subsequently reverses, the carrying amount of the asset (or a CGU) is increased to the revised estimate of its recoverable amount, such that the increase in the carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit and loss.

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue from sale of goods includes excise duty and are net of discounts, applicable taxes, rebates and estimated returns. The revenue is recognized when the significant risks and rewards of ownership of goods are transferred to the buyer, recoverability of consideration is probable, the amount of revenue and cost incurred or to be incurred in respect of the transaction can be measured reliably and there is no continuing managerial involvement over the goods sold.

Income from services is recognized when the services are rendered or when contracted milestones have been achieved.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is recognized when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend can be measured reliably.

Revenue / Income and Cost / Expenditure are generally accounted on accrual basis as they are earned/ incurred, except those with significant uncertainties. Dividend Income from investment is recognized as and when received. Other Incomes are accounted for on accrual basis except when the recovery is uncertain, it is accounted for on receipt basis. Claims made against the Company are evaluated as to type thereof, period for which they are outstanding and appropriate provisions made. Claims are

4.17

stated net of recoveries from insurance companies and others. Administrative and other expenses are stated net of recoveries, wherever applicable.

4.18 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

4.19 Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

4.20 Employees Benefit

(a) Short term employee benefits are recognized as expenses at the undiscounted amount in the Statement of Profit and Loss of the year for which the related service is rendered.

b) Defined Contribution Plan: Monthly contribution to the provident fund which is under defined contribution schemes are charged to Statement of Profit & Loss and deposited with the provident fund authorities on monthly basis.

c) Defined Benefit Plans: Gratuities to employees are covered under the employees' group gratuity schemes and the premium is paid on the basis of their actuarial valuation using the projected unit credit method. Actuarial gain and losses net of deferred taxes arising from experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income in the period in which they arise. Any short falls in case of premature resignation or termination to the extent not reimbursed by LIC is being absorbed in the year of payment.

d) Termination benefits are charged to the Statement of Profit and Loss in the year of accrual when the Company is committed without any possibility of withdrawal of an offer made to either terminate employment before the normal retirement date or as a result of an offer made to encourage voluntary retirement.

4.21 Taxes on income

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively. Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction are not recognized. Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized. Deferred tax assets and liabilities are offset when the Company has a legally enforceable right to do the same.

4.22 Earning Per Share

Basic earnings per share is computed and disclosed using the weighted average number of common shares outstanding during the year. Dilutive earning per share is computed and disclosed using the weighted average number of common and dilutive common equivalent shares outstanding during the year, except when the results would be anti-dilutive.

4.23 Global Health Pandemic on COVID-19

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, loans and advances, property plant and equipment, intangibles etc as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information. Having reviewed the underlying data and based on current estimates, the Company does not expect any material impact on the carrying amount of these assets and liabilities. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions. The Company has also evaluated the impact of the same on the aforementioned risks i.e. credit risk, liquidity risk, market risk, currency risk and interest risk and does not foresee any material impact on account of the same.

Capital management

"For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, borrowings, less cash and cash equivalents, excluding discontinued operations"

Particulars	As at	As at
	31 March 2020	31 March 2019

"In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2020."

Due to non Utilization of CC Limits of Banks gearing ratio has changed drastically in comparision to previsos years

B. Financial risk management

"The Company has exposure to the following risks arising from financial instruments:

- a) credit risk (see (B)(ii));
- b) liquidity risk (see (B)(iii)); and
- c) market risk (see (B)(iv))."

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors along with the top management are responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company,

ii. Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade receivables, certain loans and advances and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure.

The maximum exposure to credit risk for trade and other receivables are as follows:

	Carrying amount	
	As at 31 March 2020	As at 31 March 2019
Trade receivables	531618625	54,19,81,787
Cash and cash equivalents	78105581	7,51,31,408
Investments in equity instruments	56869722	37,13,627
	66,65,93,928	62,08,26,822

Trade receivables

"The Company has developed guidelines for the management of credit risk from trade receivables. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer."

Financial instruments - Fair value and risk management

30 Financial instruments - Fair value and risk management

Trade receivables

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.

The Company's exposure to credit risk for trade receivables by relationship is as follows:

	As at 31 March 2020	As at 31 March 2019
Third party customers	53,16,18,625	54,19,81,787
Related parties	-	-

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks and financial institutions as at the reporting dates which has been measured on the 12-month expected loss basis. The credit worthiness of such banks and financial institutions are evaluated by the management on an ongoing basis and is considered to be good with low credit risk. Also, no impairment loss has been recorded in respect of fixed deposits that are with recognised commercial banks and are not past due.

Investments in equity instruments

Investments in equity instruments majorly includes investment in equity shares of Co-operative banks in furtherance of the credit facilities taken by Company from these banks. The credit worthiness of such banks are evaluated by the management on an ongoing basis and is considered to be good with low credit risk.

iii. Liquidity risks

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has current financial assets of Rs. (March 31, 2019: Rs. 61,70,99,636/-), which the management believes is sufficient to meet all its liabilities maturing during the next 12 months amounting to Rs. (March 31, 2019: Rs. 3,10,53,650/-).

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, including contractual interest.

As at 31 March 2020	Carrying amount	Total	6 months or less	6-12 months	1-2 years	More than 2 years
Borrowings	21,65,348					
Trade payables	3,95,67,905

Other financial liabilities	5,68,28,964					
	8,77,45,779		-	-	-	-

30 Financial instruments - Fair value and risk management (continued)

iv. Market risks: Market risk is the risk of loss of future earnings or fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Company is not exposed to market risk primarily related to foreign exchange rate risk (currency risk). It however is exposed to interest rate risk. Thus the Company's exposure to market risk is just a function of borrowing activities as it does not have any transactions in foreign currency which leads to currency risk.

35. Operating segment

"An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components and for which discrete financial information is available. The Company's chief operating decision-maker (CODM) is considered to be the Company's Managing Director ('MD'). The Company is engaged in the business of Productions of wood adhesives which are widely used in fast moving consumer market on days. Information reported to and evaluated regularly by the CODM for the purposes of resource allocation and assessing performance focuses on the business as a whole and accordingly, in the context of Operating Segment as defined under the Indian Accounting Standard 108 'Segment Information', there is no separate reportable segment.

Further Company sells its products only in India and hence there is no separate reportable segment in this context."
